

Chamberlain
& McCreery

Meet the Owners

Jon McCreery - *President*

Mr. McCreery has owned and operated construction companies for 30 years and is also a licensed contractor in the states of Tennessee, Mississippi and Arkansas. His companies have been selected as Builder of the Year in Memphis two separate times and Builder of the Year for the state of Tennessee once, demonstrating a commitment to professional and well-managed businesses respected by members of the building industry.

Mr. McCreery's contribution to the community has been through his 26 years of being a member of Hope Presbyterian Church and serving as a Board Director for five years and then Chairman for three years with the Germantown Youth Athletic Association (GYAA), the largest youth sports associations in the Greater Memphis area.

Phil Chamberlain II - *Vice President*

Mr. Chamberlain has owned and operated construction companies for 32 years in and around the greater Memphis area. He is a licensed general contractor in the states of Tennessee, Mississippi and Arkansas. Believing in the responsibility to give back to the community, Mr. Chamberlain served as a Board Member for Habitat for Humanity of Greater Memphis from 2001-2007, and served as President of the Board at Habitat in 2006.

Two of the most rewarding construction projects under the direct responsibility of Mr. Chamberlain were 73 homes built for Naval Officers on the Naval Base in Millington, Tennessee, and the 150 affordable homes built in the Hope VI development known as Uptown Memphis near St. Jude.

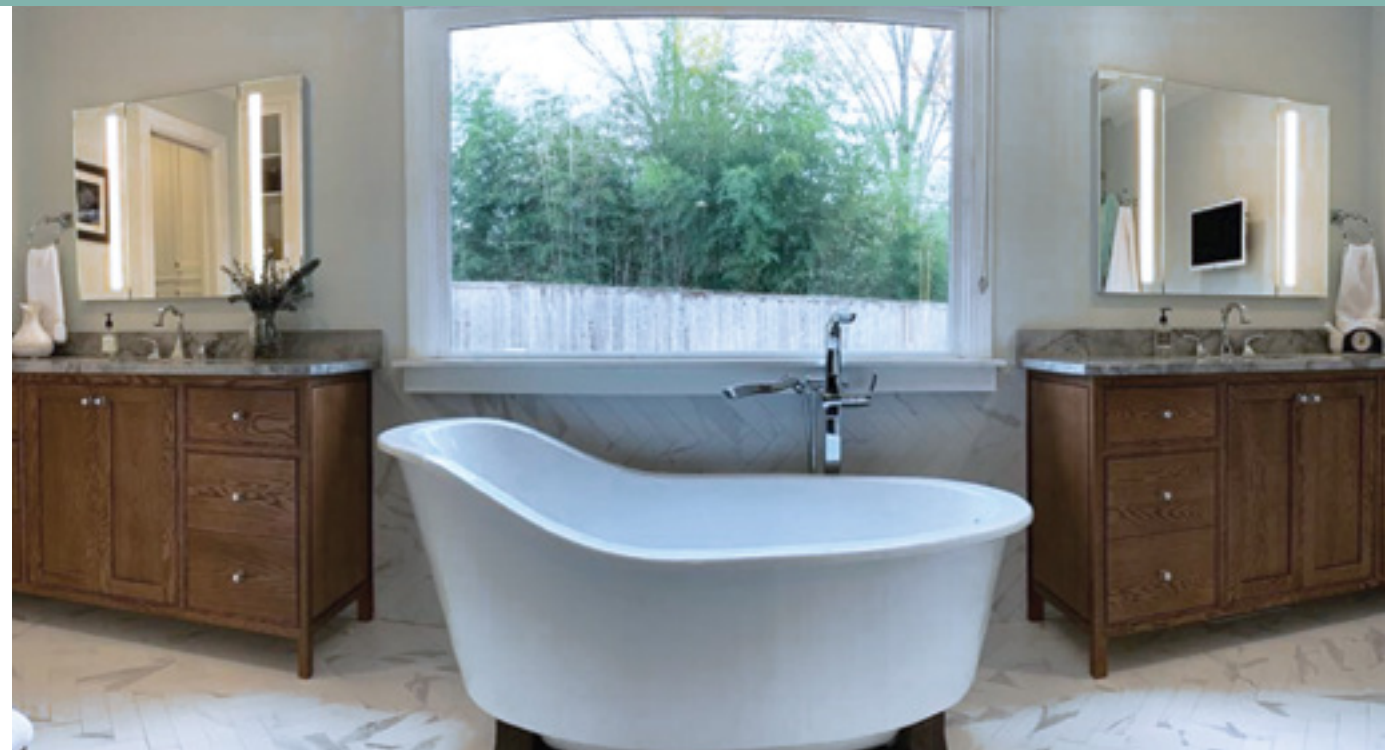

Who We Are

Chamberlain & McCreery has built 5500 new homes since 1981. The commitment to work closely with customers to build the home of their dream has earned CMCC the honor of being voted as the Builder of the Year for the State of Tennessee two different times. Chamberlain & McCreery build high quality custom homes with energy efficient components. A custom home by CMCC always reflects the uniqueness and individuality of the owner in order to ensure complete satisfaction.

Capital Improvements Division

Chamberlain & McCreery have also specialized in commercial construction for over 21 years. Their commercial department includes tenant finish, banks, medical, dental, shopping center, office buildings, concrete tilt up industrial work and "will build to suit", as well as merchant general contracting services.

Multi-family Construction Division

In 2014, Chamberlain & McCreery launched their multi-family construction division, and it has evolved into a 3rd major division of the company. In the past 9 years this division has performed substantial construction in multi family developments in the states of Louisiana, Arkansas, Mississippi, Tennessee, Kentucky, North Carolina, South Carolina, and Alabama.

Ferguson Bath, Kitchen & Lighting

Ferguson raises the bar for industry standards as the top-rated wholesale supplier of commercial and residential plumbing supplies. However, our expertise goes beyond plumbing. We are a diverse distributor that spans multiple businesses including HVAC/R, waterworks and industrial. In the past 65 years, we've grown from a local distributor to a \$18.4 billion dollar company with more than 1,400 locations and over 27,000 associates nationwide.

Our associates provide expert advice and a range of products and services our customers want to improve their construction, renovation and maintenance projects. Providing worldclass customer service is a cultural belief that is demonstrated every day through our expansive product selection backed by our knowledgeable associates.
